We ask that all spectators abide by our SPECTATOR PROTOCOL

In order to ensure that we all enjoy events safely, we would like you to take note of a few suggestions.

Families With Children – Eventing is a family sport for competitors and spectators. But, as in any sport, precautions must be taken. Please see that children are under control of an adult at all times.

Horses Always Have the Right of Way – BE ALERT to ensure that you do not interfere with the competitors on course. Use caution when you are walking the cross-country course – or anywhere on the Fair Hill grounds.

Dogs Must Be Leashed – There will be absolutely no exceptions to this Fair Hill Department of Natural Resources rule. All dogs not properly leashed will be impounded! There is a \$50 fine.

Crowd Control and Safety – For your own safety, as well as the safety of the competitors, please pay attention to all crowd-control measures. Stay behind any marked barriers or ropes. You may cross the course at designated points, but be sure a horse is not coming and cross as quickly as possible. Fence judges are official personnel—respond to their instructions! But, do not hesitate to ask them questions about the cross-country phase. They will be happy to help you!

Assisting Riders – Assistance to any competitor is not permitted, under penalty of the competitor's elimination. Any intervention by a third party, solicited or not, with the object of aiding the horse or instructing the competitor is considered illegal assistance. The one exception to the rule is in case of an accident, catching a loose horse outside the course is permitted.

Special Instructions for Dressage – Dressage is the art of performing a specified series of technical movements within an arena. This requires concentration. Please take special care not to make any noise or sudden movements near the dressage area.

The Health/Welfare of the Horses – After years of training and building a relationship of respect and trust, the rider's principal concern is the health, fitness, and safety of the horse. It is common for a competitor to pull a horse from competition because of weather changes. The horse inspections and the ground jury also serve to vigilantly protect the horse's wellbeing.

At any time during competition, the veterinary commission and the ground jury may decide to eliminate a horse. The world-wide governing organization of the sport, the Federation Equestre Internationale (FEI), and its American counterpart, US Equestrian Federation (USEF), have created a code of conduct for their members regarding the welfare of the horses. We follow the FEI and/or USEF guidelines.

In general, neither the Fair Hill International Organizing Committee, the Maryland Department of Natural Resources, the United States Eventing Association, United States Equestrian Federation, members and officials, nor the owner of the property on which the event is run accept any liability for any accident, damage, injury, or illness to horses, competitors, owners, attendants, spectators or any person or property.

2024 - August Starter PA Script / Talking Points

Welcome to Fair Hill International's third and final Starter Horse Trials of the year.

At FHI, our goal is to take riders and horses "From Green to Gold". In keeping with that goal, during our April through August season we offer competitions at every level from Elementary through Advanced and CCI 3 Star Short, with each competition followed by one or more schoolings. We also lend our courses and equipment to The US Pony Club for their Rallies and Upper Level Testing. Today the DelMarVa Region Pony Club will be holding their Eventing Rally for members with a 'D' Certification. They will be starting with Dressage in Ring 4 as soon as our Divisions are completed, and doing the Show Jumping and Cross-Country phases tomorrow. Fair Hill International welcomes them and wishes them a great weekend.

*****Multiple Reminders Throughout the event*****

Volunteers! We appreciate your help. We truly couldn't put on this event without you. So Thank You! And for those of our regular volunteers who are competing today: "Have a Good Ride"

Competitors: We have a Starter Horse Trials series for 2024, with awards for the Champion and Reserve Champion at each of the 4 levels — Novice, Beginner Novice, Starter, and Elementary. The winners will receive 'dress coolers' provided by Kingdom Horse Trailers at the conclusion of today's event. Stop by the Awards table outside Packet Pick-up to see one of the coolers, and we wish you luck in winning one.

We participate in The Jockey Club's Thoroughbred Incentive Program. If your Off the Track Thoroughbred has a TIP number, you can provide it to the show office anytime before your dressage test.

A special thanks to Aunt Angi, who is not only providing her treats today and has sponsored a Show Jump, but is also competing in the Novice level.

Thanks to our grantors, the Cecil County VLT, the Maryland Sports Commission, the USEA Foundation, and the Maryland Horse Industry Board. Their funding has enabled us to make enhancements to our equipment and courses.

Thanks to all of our donors, whose contributions help us realize our Green to Gold mission.

Thanks also to our staff. Mary, Denise, Eileen (and Charlie) ... you are the best!

And last but not least, thanks to today's riders, owners, grooms and trainers. We welcome you and wish you a successful day at Fair Hill.

Thanks to our 2024 Sponsors: See detailed scripts below – if time permits.
