

Sponsorship Overview / Offerings

- We have an Eventing Horse Trials Season Sponsorship, covering all competitions from April through August.
- We also have two other disciplines within FHI, Foxcatcher Endurance and Elk Creek Driving, and can customize packages to include those as well.

Our standard packages all contain:

- Recognition and Logo Link on Sponsorship Page of FHI website
- Social Media recognition via Facebook and Instagram
- Acknowledgement in FHI email blasts
- Public Address Recognition during Horse Trials

Positioning / exposure is commensurate with level of sponsorship.

Higher level packages (\$1,500, \$2,000, \$5,000, to \$10,000 and above) are customized during a call or meeting with representatives from the Sponsorship Committee & Mary Coldren, Business & Competition Director, and all include:

- Display of two (back-to-back) 2'x 7' Coroplast Signs at all Horse Trials - on the Arena Fence for the Recognized Trials and at Stabling for the Starter Trials.

Lower level packages:
